Our Speaker

Dr. Martha Ann Keels

Division Chief of Pediatric Dentistry
Duke University Medical Center
Durham, North Carolina

Dr. Martha Ann Keels received her dental degree from the University of North Carolina, Chapel Hill. She was the recipient of the NIH Dentist-Scientist Award, which funded specialty training in Pediatric Dentistry and PhD training in Epidemiology at the University of North Carolina. Subsequently, in 1990 she established the Pediatric Dental Program at Duke University and serves as the Division Chief of Pediatric Dentistry at Duke Children's Hospital. She is board certified in pediatric dentistry and has served on the ABPD Examination Committee for OCE since 2008.

Dr. Keels holds Fellowships in the American Academy of Pediatric Dentistry, American College of Dentists, and the International College of Dentists. As a dental student, she was elected to membership in OKU. She has served as president of the North Carolina Academy of Pediatric Dentistry; on the editorial board of Pediatric Dentistry; and on the Council for Clinical Affairs and the Council of Scientific Affairs for the American Academy of Pediatric Dentistry. She was chair of the Section on Oral Health within the American Academy of Pediatrics from 2004-2010.

She received NIH funding for an epidemiological study of fluoridation and is currently funded by the NIH assessing caries risk factor analysis.

Course Synopsis

Eureka Moments in Pediatric Dentistry

The morning session will highlight the ***when***, ***what*** and ***how*** of caries prevention in the primary dentition – from caries risk assessment to the latest on the recommendations of fluoride use.

Pearls on managing the eruption of the primary and permanent teeth will be described. How to manage delayed and ectopic eruptions, mesiodens, oral habits, behavior management and many more topics will be shared.

A multitude of clinical cases are used to demonstrate the practical pearls. Managing dental acid erosion, simplifying pediatric periodontal disease and challenging trauma cases will be the focus of the afternoon session.

Lecture is worth 6 hours of CEU's
