

To: UF College of Dentistry,

*Not much says "All In" like dedicating years of service to one employer and it is impressive to see this list of our staff members who are reaching service anniversaries.*

*UF recognizes USPS and TEAMS employees with at least five years of continuous service; the pins are awarded in five-year increments. The program used to be coordinated at the UF Health Science Center but last year they asked the colleges to begin recognizing these milestones internally. So this year marks the second time the college has coordinated our own ceremony which will, again, follow the college's Annual Holiday Tea.*

*I am truly proud of all our staff members who play an enormous role in making our college one of the best dental schools in the United States and one of the best colleges at the University of Florida.*

*We encourage everyone to join us for the Service Pin Ceremony on Tuesday, December 10 at 3 p.m. in D3-3.*

*Sincerely,  
Boyd Robinson, DDS, MEd  
Interim Dean*
