To Whom It May Concern:

Hi, my name is Valery [redacted] and I
am a fifth grade student at [redacted]
Elementary School in [redacted]
Florida. When I grow up I want to be a
dentist. I hope to attend the University of
Florida. Will you please give me suggestions
on the kinds of classes I should take in
high school and other things that will help me
fulfill my dream? I would appreciate any
brochures, college information, and tips that you
could give me.

Thank you so much for your time.

Sincerely,
Valery [redacted]
