

MyTraining Tips

When you click on the link included in the MyTraining email notifications, you will be prompted to log in with your Gatorlink account. You may also go directly to the MyTraining site by entering the following URL into your Internet Explorer browser (IE is recommended) and click on UF to log in with your Gatorlink account.

<http://mytraining.ufhealth.org>

Once logged into the MyTraining site, your required curriculums should show on your dashboard with a “Register” option beside each curriculum, click on “Register”:

The screenshot displays the MyTraining website interface. At the top, there is a navigation bar with 'Learner', 'Reporting', and 'Administrator' tabs. Below this is a search bar and a breadcrumb trail: 'Home / Catalog / UF / Health Sciences/Clinical / College of Dentistry / Axiom'. The main content area is titled 'AXIUM (4)' and features a 'SUBCATEGORIES' section with the note 'No catalog data available'. Below this, there are two curriculum listings. The first listing is for 'Axiom v6.03 Electronic Health Record / Treatment plan Enhancements' with ID 'UF_DN_AXIUM603EHRTXPLAN'. The second listing is for 'Axiom v6.03 General Enhancements' with ID 'UF_DN_AXIUM603GENERAL'. Each listing includes a 'View Details' link, a 'View Subactivities' link, and an 'Actions' dropdown menu. A 'REGISTER' button is prominently displayed to the right of each curriculum entry. An arrow from the text above points to the 'REGISTER' button for the first curriculum.

The next screen will show the documents included in the curriculum. At the bottom right-hand corner of the page you will find “NEXT” and “SUBMIT” options. If there is only one document in the curriculum, you will only need to click the “SUBMIT” option. If there are multiple documents in the curriculum, you will first need to click the “NEXT” option, then click the “SUBMIT” option.
