

Purchasing a TurningPoint Clicker or ResponseWare

For the incoming class of 2018, UF College of Dentistry is allowing students to choose to purchase ResponseWare Licenses or TurningPoint Clickers from Turning Technologies. **TurningPoint clickers can be purchased in the UF Bookstore for a discounted price. (If you choose to buy a clicker, jump to page 4).** If you opt to purchase a ResponseWare License, you will be able to use a laptop computer or smart phone (iOS, Android, and Blackberry's operating systems are supported) to participate in in-class quizzes.

To purchase a ResponseWare License, follow these steps:

1. Go to <http://store.turningtechnologies.com>. A screen will appear asking for a *School Code*. Once entered, the School Code will display discounted prices for the Turning Point products.

2. Enter the code **4UFL** and click *Submit Code*. You will notice the prices of the clickers decrease.
3. Scroll to the bottom of the page and choose a ResponseWare license. An annual license is available for \$15, and a 4-year license is available for \$32.

ResponseWare - Annual License

Product ID: SFT-RWW-12

Description: Web-based polling option with multiple licensing options for use with mobile devices. Device not included.

ResponseWare Registration

If you have purchased a ResponseWare license, you must register it using TurningPoint's website. To register your device, follow these steps:

1. Browse to www.rwpoll.com and click on *Create An Account Now*.

The screenshot shows the ResponseWare login page. At the top right is a [Login](#) link. The main heading is "Welcome to ResponseWare". Below it is a text input field labeled "Enter a session ID:" followed by an orange "Join Session" button. Further down is a link: [Login to your ResponseWare account](#). Below that, the text "Don't have an account?" is followed by a link "Create an account now", which is highlighted with a red rectangular box. At the bottom, there are links for "Home" and "About ResponseWare", and a logo for "Turning Technologies".

2. A window will appear asking for your license code. Enter your license code, email address, and create a password in the *Create Account* form on the next page, and then press *Create Account* at the bottom of the page.

A screenshot of a web form titled "Create Account". The form is enclosed in a light gray border with a dashed line. It contains several input fields and links. At the top, the title "Create Account" is centered. Below it is a label "Enter License Code :" followed by a text input field. Underneath the input field is a green link "Get a license code". Below this is a checkbox with the text "I have not purchased a license, but would still like to create an account." followed by a label "Email :" and a text input field. Below the email field is a label "Confirm email :" and another text input field. Below these is a green link "Tips for strong passwords" followed by a label "Create a password :" and a text input field. Below the password field is a label "Confirm password :" and another text input field. Below these is a label "Security image:" followed by a rectangular image containing the text "VV63XD9G". Below the image is a green link "Obtain a new security image". Below this is a label "Enter text from the image above:" followed by a text input field. At the bottom of the form are two buttons: "Create Account" (orange) and "Cancel" (orange). Below the buttons are three links: "Home", "About ResponseWare", and "Turning Technologies" (which has a small yellow icon to its left).

3. Press *Create Account*. If all information is correct, you will be taken to another webpage confirming the creation of your account. Be sure to check your email account for a link to activate your registration, and select *Continue* in the box shown below, and you are done!

UF College of Dentistry TurningPoint Clicker & ResponseWare Web Registration

If you have purchased a TurningPoint Clicker or ResponseWare License (and registered the ResponseWare as seen in the steps above), you must register it on TurningPoint's website. This registration enables your device for use at the University of Florida. To register your device, follow these steps:

1. Go to <http://student.turningtechnologies.com/>
