The University of Florida College of Dentistry is recruiting a full-time, non-tenure accruing Clinical Associate/Full Professor in the Department of Endodontics. The University of Florida College of Dentistry (UFCD) is one of the leading dental schools in the United States devoted to improving and promoting oral health throughout Florida, the nation and worldwide through excellence in teaching, research, patient care and service.

This position will serve as Program Director for the Advanced Education Program in Endodontics. Responsibilities for this position will center on advanced education (resident) and pre-doctoral level didactic, pre-clinical and clinical instruction, and participation in intramural faculty practice. The position’s requirements include: a DDS, DMD or equivalent degree, advanced training in Endodontics specialty from a CODA-accredited postgraduate Endodontics program, board certification and five years of previous teaching experience. Preferred qualifications include: previous experience as program director for advanced education program in endodontics and intramural practice.

The University of Florida, a member of the AAU, is the largest and most comprehensive public university in the state of Florida, with large undergraduate, graduate, and postgraduate educational programs. The UF Health Science Center and its six colleges (Dentistry, Medicine, Nursing, Pharmacy, Public Health and Health Professions, Veterinary Medicine) are co-located on the Gainesville campus, with additional teaching, research, and patient care sites across Florida, and internationally.

The University of Florida is an Equal Opportunity Employer dedicated to building a broadly diverse and inclusive faculty and staff. The University of Florida invites all qualified applicants to apply. The University of Florida is a public institution and subject to all requirements under Florida Sunshine and Public Records laws.

Initial review of applications will begin immediately and will continue until an application pool is identified. To apply, please go to https://jobs.ufl.edu and search for requisition number 502089. Applicants should attach curriculum vitae, a cover letter describing their interest in the position, and a list of three references with their application for consideration.
