Assistant Professor in Dental Public Health  
Department of Community Dentistry and Behavioral Science  
Position Number 00023177

The University of Florida College of Dentistry, Department of Community Dentistry and Behavioral Science, is seeking applications for a full-time tenure-track faculty position or multi-mission track clinical position in Dental Public Health at the rank of Assistant Professor. Selected candidates will be expected to develop a funded research program in dental public health and/or health services research and mentor DMD and graduate trainees. Position responsibilities include: conducting funded research; participating in the College’s teaching activities, mentoring and service activities. Candidates must possess a DDS/DMD degree or equivalent degree. Preference will be given to candidates with Masters or PhD degrees in public health, health services research, or health policy and a demonstrated record of teaching experience, funded research, and productivity in other scholarly activities. Board certification in Dental Public Health is highly desirable. Affiliate appointment in the UF College of Public Health and Health Professions is possible.

The University of Florida, a member of the AAU, is the largest and most comprehensive public university in the state of Florida, with large undergraduate, graduate, and postgraduate educational programs. The UF Health Science Center and its six colleges (Dentistry, Medicine, Nursing, Pharmacy, Public Health and Health Professions, Veterinary Medicine) are co-located on the Gainesville campus, with additional teaching, research, and patient care sites across Florida, and internationally.

The University of Florida is an Equal Opportunity Employer dedicated to building a broadly diverse and inclusive faculty and staff. The University of Florida invites all qualified applicants to apply. The University of Florida is a public institution and subject to all requirements under Florida Sunshine and Public Records laws.

Initial review of applications will begin immediately and will continue until an application pool is identified. To apply, please go to https://jobs.ufl.edu and search for requisition number 506052. Applicants should attach curriculum vitae, cover letter describing their interest in the position, a statement of present and future research interests, and a list of three references with their application for consideration.
