TURN ON COMPUTER TO SEE OWNERSHIP INFORMATION

Laptop loss and theft is a common issue for all universities. UF is addressing this issue with laptop theft protection and recovery software. UF has chosen FrontDoorSoftware because it is the only laptop security product designed to help you with theft prevention, information protection, and laptop recovery.

UF provides FrontDoorSoftware to students, faculty and staff for **FREE**. Simply use your university email address when creating your account.

Download & install this software at www.frontdoorsoftware.com/UFL

Imagine your laptop goes missing. Imagine your information, emails and photos gone and falling into the wrong hands.

What would you do next?

After calling the University Police Department at (352) 392-1111 to file a theft report, you can go to www.frontdoorsoftware.com and log into your account. Select the STOLEN tab, update the license, use a lockdown code, update your recovery info, send a text message to the thief, send a talk message and geo-track it. You are in control.
